# WELCOME TO TSGC

Welcome to the Standard Group of Colleges, where a journey of excellence began in 1992. For over three decades, we have been nurturing minds, igniting passions, and shaping futures. Our commitment to providing top-notch education, fostering creativity and instilling values has transformed countless lives.

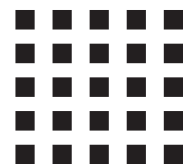

Ever since its inception, the college has persistently served the community with honesty, integrity and professional commitment till today. It enjoys a great respect, acceptance & recognition as an excellent source of higher learning. In a short span of time, the college has expanded itself into a group of colleges. It has extended in Sialkot, Narowal, Murree, Sara-e-Alamgir, Jhelum, Shakargarh and Lahore.

At TSGC, our ultimate goal is to empower graduates with the knowledge, skills, and characters to not only excel in their chosen fields but to also become catalysts for positive change in a rapidly evolving world. We strive to cultivate critical thinkers, compassionate leaders, and global citizens who are equipped to tackle complex challenges with creativity and resilience.

Our commitment extends beyond education to the development of well-rounded individuals who possess a deep sense of ethical responsibility, a thirst for lifelong learning, and a passion for making a meaningful impact on society. As our graduates step confidently into the future, they carry with them the values, expertise, and determination needed to shape a brighter and more inclusive tomorrow for themselves and for all those they touch.

As we celebrate our legacy, we invite you to be part of a community that thrives on innovation, embraces diversity, and embraces the boundless possibilities of tomorrow. Join us in this inspiring endeavor to learn, grow, and make a difference in the world.

**A Trusted name for the bright future of your child.**

# Principal's MESSAGE

On behalf of The Standard College, I extend a warm welcome to all prospective students and their families. It is my pleasure to introduce you to our esteemed institution, which has been a symbol of academic excellence and innovation for the past 30 years.

We take immense pride in our outstanding faculty members, comprising 71 inspiring individuals, the highest number of Ph.Ds. among colleges. Their expertise, dedication, and passion for teaching have been instrumental in shaping the bright futures of our students. Our college's academic progress is fortified by our affiliations with prestigious universities, allowing us to offer a diverse range of programs through our 14 teaching departments.

Our students consistently shine bright, securing 51 top positions in board and university examinations, and demonstrating their exceptional capabilities across various disciplines.

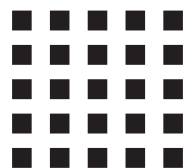

Beyond the classroom, we believe in holistic development and experiential learning. Our college organizes more than 100 seminars, facilitating intellectual discourse and encouraging critical thinking. We also offer numerous educational tours, allowing our students to apply their knowledge in real-world context and to broaden their intellectual horizon.

At College, we are not only committed to academic excellence but also to making a positive impact on society. As pioneers in community development, we actively engage in initiatives that promote social responsibility and sustainable development, nurturing compassionate and socially conscious individuals.

Once again, I extend a warm welcome to all of you. We look forward to embarking on this exciting educational journey together.

**Mr. Mohsin Bilal**  
Principal

Teachers are like candles who consume themselves to brighten the lives of others...

Destined to Success, "The Standard Group of Colleges" feels honour to announce

**Arooj Fatima**, on the horizon of success, **1st Position in MSc Physics** in the University in 2022

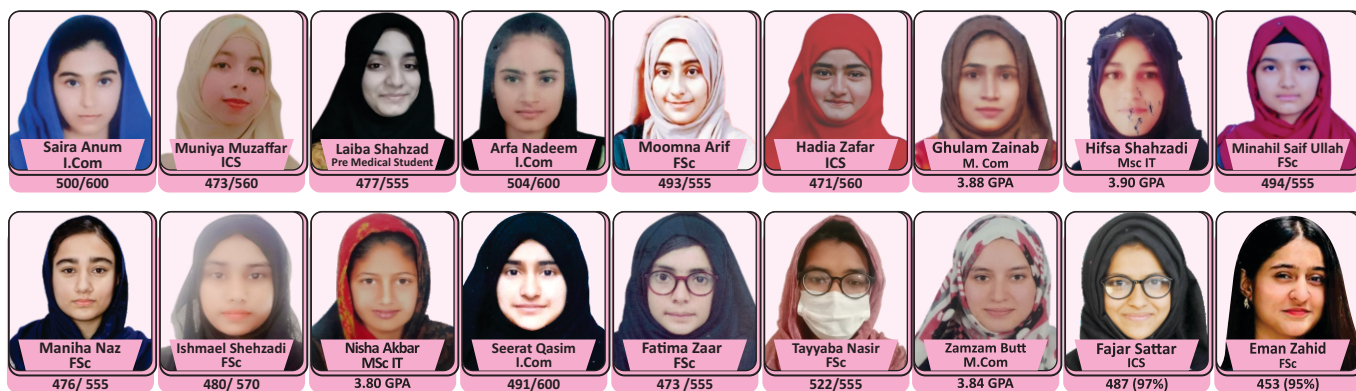

**Shama Azam**, secured **1st Position in MSc Zoology** in the University in 2021.

*Congratulation to all our position holders & staff for*

- 2nd Position in Gujranwala Board in 2017.
- 1st Position in BSc with 602 Marks in District Sialkot.
- 1st, 2nd and 4th Position in B.Com in the University.
- 1st & 3rd Position in MSc Zoology in GCUF.

## Our Shining Stars of 2023

## Intermediate Level

### FSc (Faculty of Science)

#### FSc (Pre-Medical)

The main aim of the course is to provide medical education at intermediate level. It provides the basic raw material for medical colleges in Pakistan. It's a mandatory intermediate level education for the students who are desirous of serving the community as doctors.

#### FSc (Pre-Engineering)

This course provides a sound base for those who wish to undertake engineering studies in higher education and aspire to become engineers.

#### FSc (General Science)

Subjects that are taught in this discipline are in accordance with the syllabus designed by the Board of Intermediate & Secondary Education.

#### ICS (Intermediate in Computer Sciences)

Computer Sciences and information technology are the sciences of present and future. It's an age of information technology. TSC has a very well and ever growing reputation for launching the national and internationally accredited courses in its campus. TSC has an excellent track record of dealing with courses like ICS, BCS, MCSE, and E-Commerce.

#### FA (Faculty of Arts)

This Course provides a firm foundation to those students who want to study the subjects of Education, Fine Arts, Journalism, Psychology and Economics at Graduation and Masters level to become professionals in the long run.

### I. Com (Intermediate in Commerce)

I.Com is a basic course for the students who aim at making their career in fields of commerce, management or accountancy. The course of I.Com is approved by the Board of Intermediate and Secondary Education throughout the Punjab province. The students of I.Com have academic advantage towards the advanced commerce and qualified accountancy courses like, B.Com, M.Com, CA, ACCA, CAM, CMA.

## Course Modules

**Compulsory Subjects:** Translation of Holy Quran - English - Urdu - Islamiyat / Ethics (Part I) - Pakistan Studies (Part II)

#### Elective Subjects:

| Pre-Medical                       | Pre-Engineering                |                                |
|-----------------------------------|--------------------------------|--------------------------------|
| Biology                           | Mathematics                    | Computer Science               |
| Chemistry                         | Chemistry                      | Mathematics                    |
| Physics                           | Physics                        | Stats/Physics/Eco              |
| Computer Science/Math             | Computer Science               | Education & Pedagogical Skills |

| Business & Commerce               | Leadership & Management        | Psychology                     |
| Banking Accounting & Finance      | Foundation of Leadership       | Education & Pedagogical Skills |
| Management & Marketing            | Decision Making                | Sociology / Civics             |
| Computer Science                  | Education & Pedagogical Skills | Computer Science               |

Associate degree programs often focus on providing practical skills and training that are directly applicable to specific industries or occupations. This can include vocational fields such as healthcare, information technology, business administration, or hospitality. These skill-oriented programs can enhance employability and lead to job opportunities in a relatively short period.

The knowledge and skills acquired through an associate degree program can help graduates secure entry-level positions in their chosen fields. The practical training and hands-on experience gained during the program can make them more competitive in the job market and increase their chances of finding employment.

An associate degree can provide immediate job prospects, it can also serve as a stepping stone for higher education. Many universities in Pakistan and abroad accept associate degree holders and provide them with opportunities to transfer credits and pursue a bachelor's degree via BS 5th Semester. This flexibility allows individuals to continue their education and expand their career prospects.

### Specialization fields of ADP

**A shining star, Ayesha Naeem, 1st position in BSc , secured 602 marks.**

### A. Admission Policy / Criteria for Undergraduate BS (4-Year) Programs & BS 5th Semester

1. The maximum age limit for the eligibility is 22 to 24 years. However, 3 years age relaxation can be granted by the competent authority (VC University).
2. The candidates with at least 45% marks in FA/FSc/I.Com/ICS or A Level examination are eligible.
3. For BS (CS), BS (IT) and BS (SE) programs at least, 50% marks are required.
4. However, the candidates of earlier sessions will be considered for programs with the deduction of 10 marks for each year.
5. Pre-requisites for the respective undergraduate programs are given in below;

- **BS Zoology** Fsc (Pre-Medical)
- **BS Physics** Fsc (Pre-Engineering/Pre-Medical), ICS with Physics and Mathematics
- **BS Mathematics** Fsc (Pre-Engineering), ICS
- **BS (CS), BS (IT), BS (SE)** Fsc (Pre-Engineering/Pre-Medical), ICS Fsc Pre-Medical candidates are eligible for Admission in BS(CS), BS(IT), BS(SE) subjects to the qualifying of two deficiency courses of Mathematics offered in 1st and 2nd semester of BS.
- **BBA, BS (English, Psychology, Islamic Studies, Economics)** FA/FSc (Pre-Medical/PreEngineering), ICS, ICom and A Levels or equivalent.

### B. Admission Policy / Criteria for Graduate Programs i.e BS 5th Semester / Masters (2 years)

The candidates shall be eligible to apply for admission, who have:

- a. At least 45% marks in terminal degree.
- b. The Candidates having the degree of ADP (Associate degree Program) BA, BSc, B.Com are eligible to apply for admission. As per the instructions of HEC, 2 Years Program (MA, MSc) is stopped now. All continued students must get admission in BS 5th Semester.

*Congratulations!*  
*Shining Stars of Sialkot*

**Ayesha Naeem**  
(1st Position in Sialkot)

BBA  
4 CGPA

**Asima Fiaz**  
BBA  
4 CGPA

**An illuminated success in B. Com with 1st, 2nd & 4th Positions in University.**

## BS (4 Years Program) & BS 5th Semester (2 Years Program)

A Bachelor of Science (BS) degree is a comprehensive four-year program designed to provide students with a robust foundation in their chosen field of study. This degree encompasses a blend of core discipline-specific courses, general education, and elective classes,

The BS program is structured to equip students with critical thinking, problem-solving, and practical skills essential for professional success and personal growth.

The BS 5th Semester 2-Year Degree Program, designed as an extension of a traditional 2-year bachelor's degree, offers numerous benefits aligned with those of a full 4-year BS program. This program provides students with enhanced specialization, improved career prospects, comprehensive education, and practical experience. Upon completion of the BS degree program, graduates are equipped with the necessary skills and knowledge to enter the job market or pursue advanced degrees, such as master's or doctoral programs, in their respective fields.

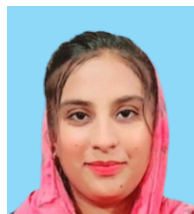

The program opens up various career paths, depending on the major, ranging from scientific research and engineering to healthcare, technology, business, and much more.

Candidates can apply in the following BS regular programs & BS 5th Semester programs.

- BS Zoology
- BS Botany
- BS Chemistry
- BS Physics
- BS Computer Science
- BS Banking & Finance
- BS Islamic Studies
- BS English
- BS Information Technology
- BS Economics
- BS Mathematics
- BBA
- BS Software Engineering
- BS Fine Arts
- B.Com (Hons.)

4 GPA

**Prof. Muhammad Yaseen** (Ex. Controller of Examination, BISE Gujranwala)  
Father of Saleha Yaseen (FSc-II) (Principal, Govt. Jinrah Islamia College Sialkot)

The Standard College Sialkot is one of the oldest private establishments in the field of education. It is serving the people of the region to train them professionally in different categories. As a parent I feel that the teaching and technical staff of the college always stands by to meet the requirements of the students very efficiently and sincerely.

**Mrs. Shagufta Naqvi** (Principal, Govt. Girls College, Haji Pura, Sialkot)  
Mother of Anza Maryam (ICS-II)

"Nations are built by Teachers", being a teacher I myself believe that our youth can never mend its ways until teachers play their vital role. "The Standard College" comes up to all the standards that parents always look for. Highly motivated teachers, friendly atmosphere, competent administration and at home learning atmosphere are the assets of this college.

**Engineer Majid Syed Shahid Anwer** (Director University of Sargodha)  
Father of Nawaira Shahid (FA-II)

I am pleased to see the way the management of the college is trying its level best to provide the quality education to the future of Pakistan as per the need and requirements of today. There is no doubt that within a very short span of time, the college will achieve the charter of the university with such a skillful management.

**Hafiz Muhammad Aslam**  
Father of Humaira Aslam (M.Com)

I feel proud that my daughter is getting education in TSC. TSC not only provides a degree but also increases knowledge and intellectual level of students. As I also believe, "Education is Not information but Formation".

**Mrs. Jameel** (Mother of Ayesha Jameel)

We feel greatly privileged to express our opinion of satisfaction regarding the perspective of imparting education under the behest of The Principal and The Director Mr. Mohsin Bilal. They are too meticulous to establish self functioning relationship of contacts in between all factors related to institution and parents in regards to education and ensuing problems for solution. Being a parent I am to pay my tribute to their satisfactory and up to mark performance in their field. TSC has been part of the local region for over 2 decades since the foundation in 1992. They have grown into a truly best college that continues to play a key role in the region. It has been a pleasure to be the part of TSC family.

**Muhammad Saleh**  
Father of Ayesha Malik (MSc Zoology)

I feel proud that my daughter is getting education in TSC. TSC not only imparts knowledge but also make the students able to avail golden opportunities for their career.

### Salient Features!

- World-Class faculty with M.Phil & PhDs.
- Free education & special prizes for position holders.
- Exceptional test system & reporting to parents.
- Academic & career counseling.
- No need for extra tuition & personality grooming activities.
- Result oriented preparation for final exams.
- Merit-based scholarship.

We aspire to provide a rich learning experience that combines classroom study with practical work.

# Why?

## Standard College

We invite you to visit The Standard College and prepare yourself for a leadership role in your life.

**Ayesha Jamil**  
(BSc)  
(1<sup>st</sup> Position)

I think that standard college is the best place to make a person superior in every field of life Because this college guides us in every matter with great co-operation.

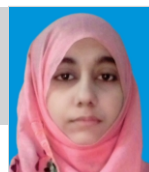

**Nida Khushi**  
(MSc Zoology)  
(1<sup>st</sup> Position)

The Standard College is the institution which enhanced my knowledge. I wish all the new comers best of luck.

**Ayesha Shoukat**  
(BSc-II)  
(1<sup>st</sup> Position)

I really admire the way all the staff works so hard to make me comfortable with my studies.

**Kainat Tanveer**  
(MSc-IT)  
(1<sup>st</sup> Position)

This is the best college to get education as well as to make ourselves the most civilized citizens. I greatly admire the efforts of my college.

**Maryam Kaleem**  
(FSc-II)  
(1<sup>st</sup> Position)

The Standard Girls College is one of the best institute in Sialkot. I want to suggest all my fellows to be the students of TSC to get the best of the best of their education.

**Tayaba Ishaque**  
(BA-II)  
(1<sup>st</sup> Position)

The college is as friendly as it promises, and there are lots of opportunities to get involved at all levels to be successful.

**Roha Fatima**  
(MSc IT)  
(1<sup>st</sup> Position)

This is one of the best colleges for getting higher education to show good academic result as the college environment is very friendly and supportive.

**Farwa Azam**  
(MA English)  
(1<sup>st</sup> Position)

Teachers are very competent and are even available to provide their services out of class rooms. A compact test system has always been result-promising for us here in TSC.

**Salwa Javaid**  
(M.Com-II)  
(1<sup>st</sup> Position)

I learnt much more here than I expected. The teachers are always well-committed and dedicated to their mission.

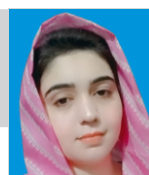

**Baseerat Ijaz**  
(B.Com)  
(1<sup>st</sup> Position)

I have spent a very fruitful and knowledge seeking time in TSC.

**Amara Butt**  
(M.Com)  
(1<sup>st</sup> Position)

The Standard Girls College is a center of excellence in women education. Today I feel extremely happy to express my views about this institution. The institution has embarked its foot prints in high quality academic programmes. Moreover, it provides training activities matching to the practical world.

**Kiran Ishfaq**  
(M. Com)  
(1<sup>st</sup> Position)

Teachers at Standard Girls college are co-operative and supportive who foster a sense of confidence for dealing with turbulence of practical life. The college not only promotes intellectuals but also helps in emotional, social, artistic, and cultural aspects of students' life. Being an introvert, I have learnt to lead a group of people as a head Girl at Standard Girls College.
